

TRANSPORTATION PERMISSION SLIP

This permission slip is intended to cover Delaware Military Academy Music cadets that ride on DMA-provided transportation. This transportation allows cadets to participate in elective DMA Music activities and relieves parents from the burden of transporting their cadets to games and events.

My cadet, _____, has my permission to be transported to and from DMA Events on DMA-provided transportation. I understand that such transportation may be on school or chartered buses. It is understood that every necessary precaution will be taken to ensure students' safety. Beyond this, I agree to hold DMA harmless in the event of any injury to my cadet while s/he is participating in off-campus activities.

CADET DRIVING/RIDING IN PRIVATE VEHICLE (Optional)

Transportation to and from activities may be provided by private vehicle or walking. We understand that in some cases cadets may be driving their own vehicles or riding with other cadets to and from games, practices, or other DMA events.

In the event that alternative private transportation is used in lieu of transportation provided by DMAMB, DMAMB has no responsibility for the conduct of the driver/vehicle and has no responsibility for ensuring that the driver of the vehicle has sufficient insurance and/or licensing.

Before any cadet can travel with any other, both parties must complete this form and coordinating forms must be submitted by each family. New forms may be submitted if additional permissions need to be granted. This form qualifies the cadet for these permissions for the 2024-2025 School Year.
